

A Brief Introduction to the Tiffin Travelers Chapter of FMCA

Tiffin Travelers is an FMCA chapter; therefore FMCA membership is a requirement. Our members own Tiffin motor coaches (including Class A and C). We have members spanning the U.S. and Canada, but most hail from east of the Mississippi River where we have the majority of our activities. We are not restricted by geography and convene for fun wherever our members desire to travel. We are not directly affiliated with the "Allegro Club" or the Tiffin RV Network (TRVN), but most of our members are also members of those clubs. We welcome Tiffin coach owners to attend our rallies and gatherings even if they aren't members of our chapter.....yet. ; -)

Our web site is: tiffintravelers.info. (.info not .com) The Member Enrollment Form link is on the Home page. First year dues are \$22. Subsequent renewals are \$12. Our chapter members can re-coup annual dues by saving up to \$10 per coach off rally fees at EACH of our chapter's "rallies". Join our events (Rallies and Gatherings) when you can, and we hope it is often, but event attendance is not a requirement of membership.

There are other valuable pages and subpages accessed by links found on the left side of the Home page mentioned above. The "Newsletters" link contains the most recent club newsletter and others published in the last few years. Instead of mass mailing the newsletter, we email a notice that a recent newsletter is available for reading on the web site. No more worries that you didn't receive a newsletter, because it stays online.

The "Rallies and Gatherings" link contains the most recent essential info about all our event planning. Information at this link is updated more frequently than any other area of our site. Don't depend upon a reminder to look. Periodically check this section of the web site to make sure you are in the loop. Staying informed about events is on you. :-)

Rallies - Tiffin Travelers chapter rallies are organized by our members for our members, prospective members and guests. We have rallies several times a year in locations throughout the country, but primarily east of the Mississippi. Our rallies often have planned outings, meals and other group activities. Occasionally, members will organize a roaming rally to move from one point of interest to another---from state to state and/or region to region.

Gatherings - Tiffin Travelers also meet and park "together" at an event such as a National or Area Family Motor Coach Association rally. The parking "together" doesn't often occur because large events offer a variety of parking options (handicap, volunteer, electric, generator, etc.). We convene for social time regardless of how our coaches might be spread about the grounds.

Tiffin owners who would like to be "Roughing It Smoothly" with us are encouraged to come and visit with us. Ya'll come!
